

# Columbus Wrestling Organization – Wrestling Team Singlet Liability Form

As a team courtesy, each participant in the Columbus Wrestling Organization will be assigned a wrestling singlet for use during the wrestling season. The singlet is and will remain Team property. Use of the singlet is only intended for scheduled matches and tournaments where the Team or other Team members are participating. The singlet must be returned immediately after the date that the participant completes his or her wrestling season - which is when the participant is finished with meets and tournaments and does not need it for wrestling purposes - or no later than the end of the season awards banquet, whichever is sooner.

It is the responsibility of the undersigned to care for the singlet during the season including regularly washing in a gentle wash cycle and hanging it to dry. Do NOT put the singlet in the dryer as this will cause colors to fade, seams to loosen and lycra to deteriorate. Do not wear the singlet at practice unless instructed by coaches. Do NOT alter the singlet in any way including sewing the shoulder straps to shorten the singlet. Sewing the lycra will damage the singlet. If needed, get a smaller singlet. Also, unless the singlet is purchased, do NOT remove the tag with the size designation on it. Without it, we will not be able to determine the size when returned.

If the singlet is damaged or not returned to the Columbus Wrestling Organization, the \$65.00 Singlet Deposit check will not be returned and will be deposited into the Columbus Wrestling Organization's account.

Please make it a priority to properly care for the singlets during the season and return them in a timely fashion at the end of the year.

If you have more than one wrestler participating, you can use the same singlet liability form with all names and singlet sizes listed below. Please make checks out to "Columbus Wrestling Organization".
